Policy on Grinder Pumps

Drafted: January 17, 2024

Adopted: March 14, 2024

Revised:

Policy on Grinder Pumps

The Board has determined that grinder pumps are an essential element in all units and if not in proper working order, the situation represents a health and safety issue for occupants. Therefore, all grinder pumps in The Legends will be repaired and/or replaced by the Association with funds from the Common Reserve fund.

In the event a grinder pump is in need of service, the unit owner will call the vendor designated by the Board for the grinder pump installed in their unit. The vendor will bill the association for the repair or replacement of the grinder pump.

If it is determined by the Board that the service was necessary by an act, neglect or carelessness or the act, neglect or carelessness of his tenants, guests, invitees or licensees, the unit owner will be billed for the cost of the service.
